If Trebor determines that a product bearing a Trebor brand has failed under normal use and service due to a defect in material or workmanship within the warranty period for such product, Trebor will repair or replace such product at no charge to the original end-use purchaser. The determination to repair or replace shall be made by Trebor in its sole discretion. The repaired or replacement product shall be shipped to the original end-user purchaser freight collect unless the original end-user purchaser makes other arrangements for shipment. The original end-user purchaser shall bear all risk of loss or damage during shipment.

The above warranty and repair or replacement obligation does not apply if: (i) a Product is altered, changed, modified or tampered with in any way, other than an alteration, change or modification made by or with the authorization of Seller, (ii) a Product is damaged after deposit with the carrier for shipment, (iii) a Product is not used and maintained in accordance with Seller's recommended operating and maintenance manuals, instructions and procedures, if any, (iv) a Product is not properly incorporated or installed in, or not properly combined with, an Other Product, (v) the failure or substandard performance of a Product is directly or indirectly attributable to, or directly or indirectly results from or arises out of, the failure or substandard performance of another product, component or part not supplied by Seller, (vi) the failure or substandard performance of a Product is directly or indirectly attributable to, or directly or indirectly results from or arises out of, compliance with any design, specification or requirement of Buyer, (vii) a Product is used in a manner, with a substance or for a purpose other than the normal manner, substance and purpose for which it is intended or is otherwise subjected to abnormal use or service, (viii) a Product is subjected to a power surge, brown out or other similar occurrence, or (ix) the failure or substandard performance of a Product is directly or indirectly attributable to, or directly or indirectly results from or arises out of, normal wear and tear of the

Product (including, without limitation, things such as worn seals, clogged passages or valves, damage due to corrosive, insoluble, or abrasive substances, etc., if applicable).

To be eligible for warranty repair or replacement, the original end-use purchaser must notify Trebor of the product failure in writing within the warranty period for such product and, if requested by Trebor, the product must be promptly returned, freight prepaid, to either Trebor's factory at 8100 South 1300 West, West Jordan, Utah 84088 or to a Trebor authorized distributor. The original end-user purchaser must also promptly provide Trebor or its authorized distributor with all such information as either of them may request concerning the maintenance, operation, use and failure of any product that is claimed to have failed due to a defect in material or workmanship. Return of a product to Trebor's factory requires a Return Material Authorization (RMA) from Trebor, and the RMA No. must be included with the returned product. The original end-user purchaser shall bear all risk of loss or damage during shipment.
